

The form to upload your initiative is divided in three sections: The first one is for general information about your initiative. You need to fill in this section. The second one is for English content and the third one is for Dutch content. Of course we like if your initiative is as complete as possible, but if you want you can skip the second or third section.

First section: General info

Title of initiative <i>Catchy and adequate title, f.i t-shirts from tomato stems</i>	...
Status <i>We recommend you tick 'Draft' if you start a new initiative. Once you have completed the form and save it, you can open the form again, select 'Final' and check all your information before submit the form for publication.</i>	Draft or Final
Name & contact details submitter of this form: <i>Not to be published, for website operator only + to send a reminder appr. once a year.</i>	Name: ... Email: ... Tel: ...

Selection criteria

Organic source	Common name*	Latin name*
Crop Select or fill in
Utilised crop part Choose at least one	<input type="checkbox"/> Roots / tubers <input type="checkbox"/> Stem <input type="checkbox"/> Leaf <input type="checkbox"/> Bud	<input type="checkbox"/> Flower <input type="checkbox"/> Fruit <input type="checkbox"/> Seed <input type="checkbox"/> Resin <input type="checkbox"/> Bulb
Application area Choose at least one <i>On what market area(s) your initiative focus?</i>	<input type="checkbox"/> Pharma <input type="checkbox"/> Fine chemicals <input type="checkbox"/> Food & Feed <input type="checkbox"/> Materials <input type="checkbox"/> Energy
